

DATA SCIENTIST  
TECHNICAL EXERCISE

# NATIONAL TUTORING PROGRAMME

(ACADEMIC YEAR 2023/24)

# FACTS AND FIGURES - 2023/24 (1)

From my analysis of the data

**345,606**

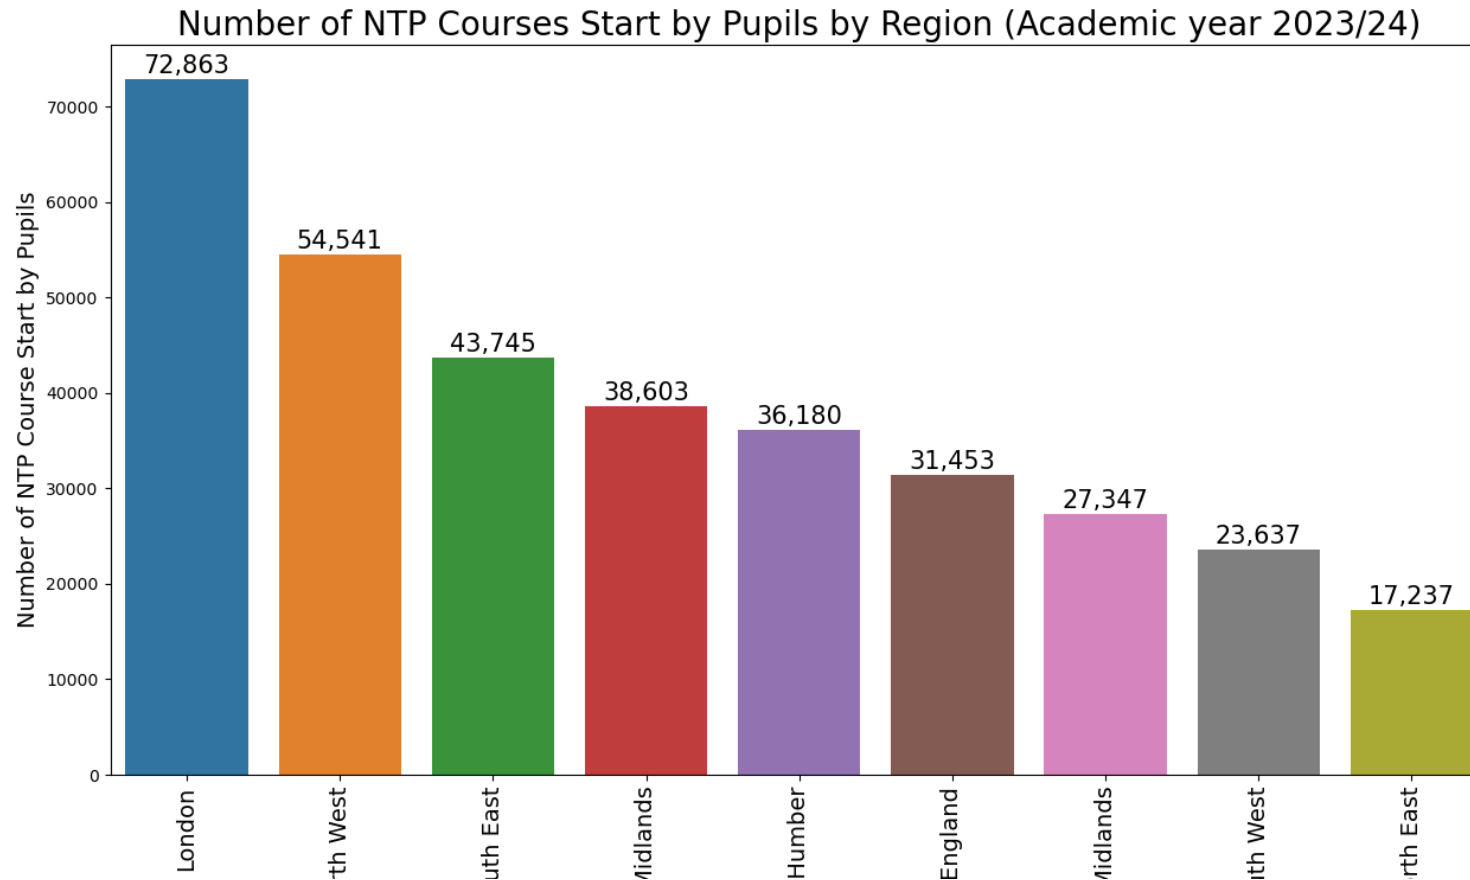

courses were started by pupils  
in the 2023/24 academic year.

Percentage of schools

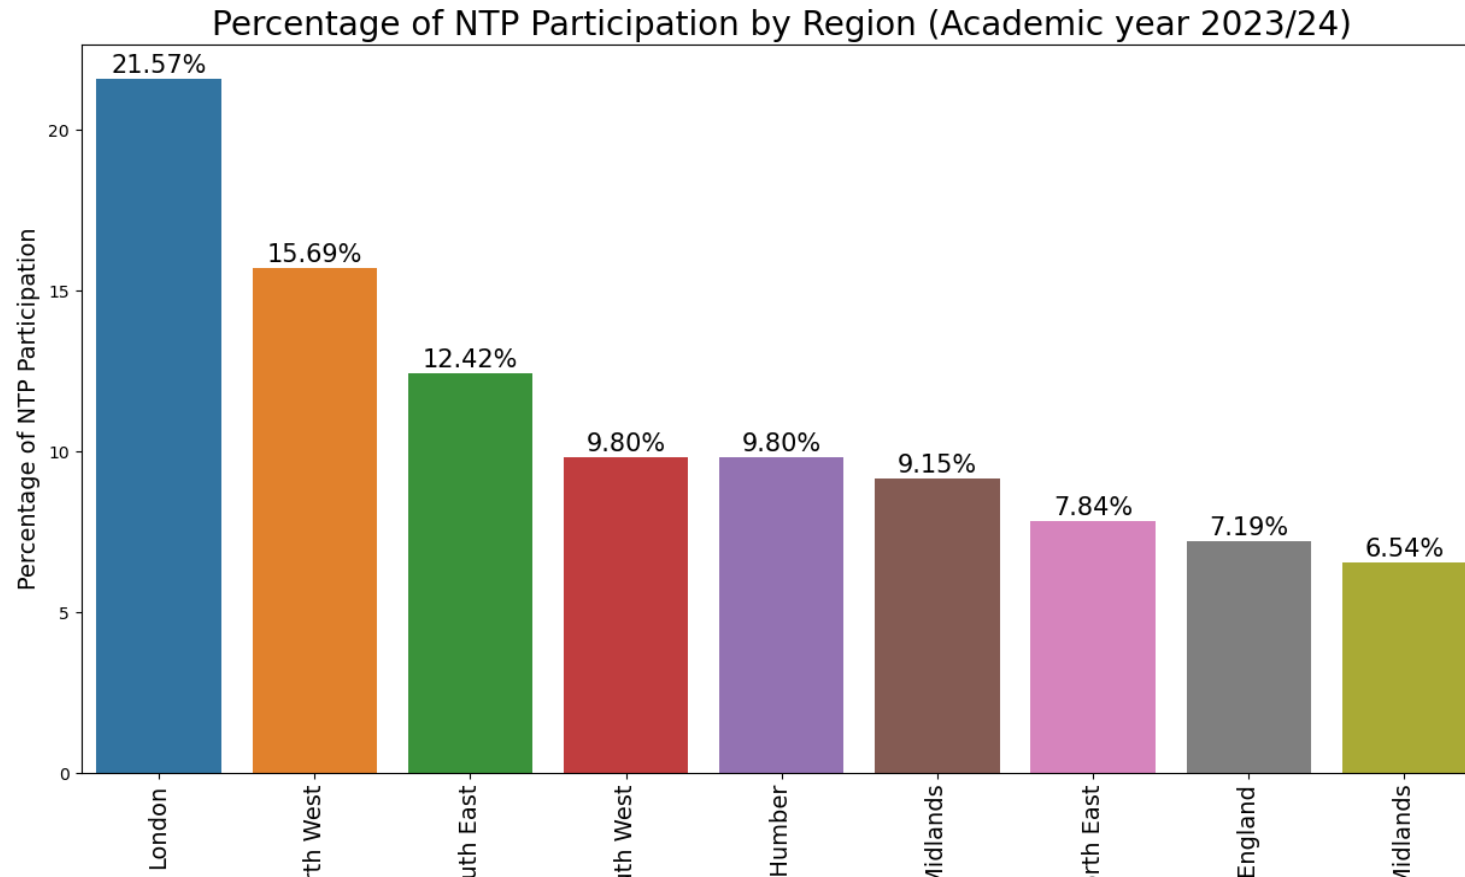

**35.58%**

participating in NTP 2023/24  
academic year.

# FACTS AND FIGURES - 2023/24 (2)

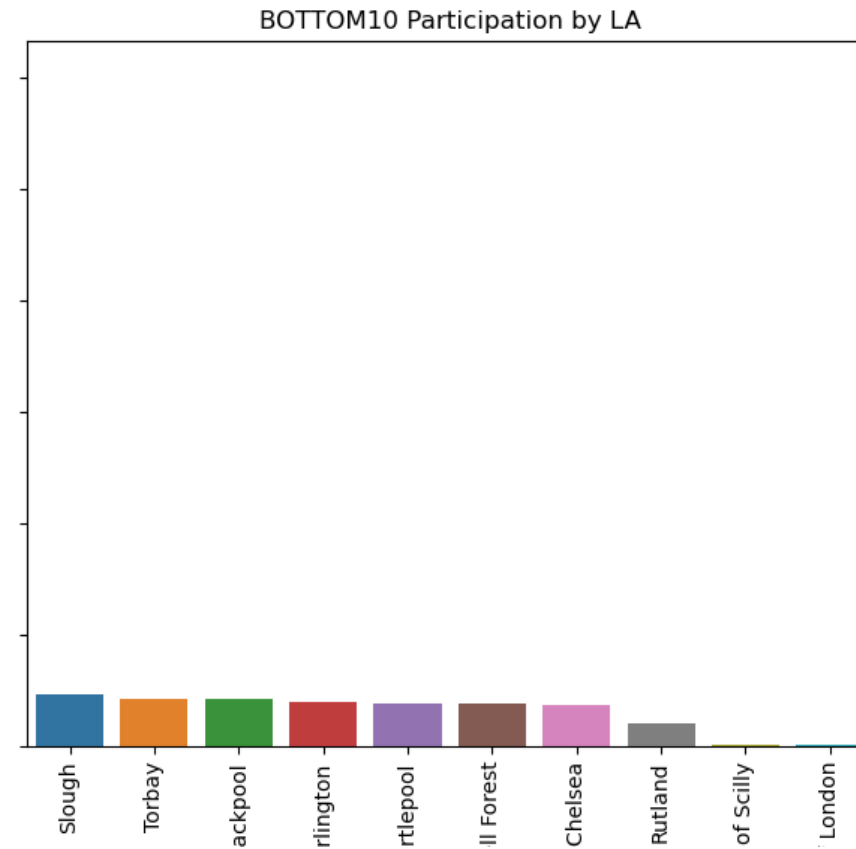

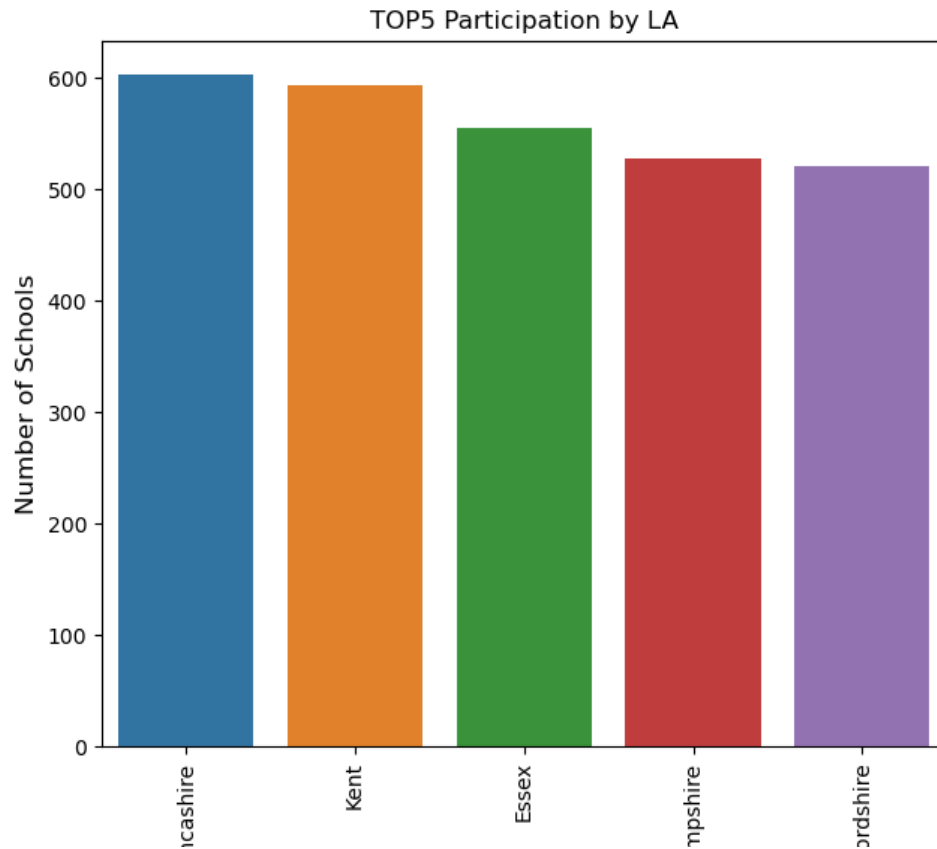

# FACTS AND FIGURES - 2023/24 (3)

# BOTTOM 10 LOCAL AUTHORITIES

Compare TOP5 and BOTTOM10 Participation by LA

# FINAL THOUGHTS AND RECOMMENDATIONS

**Ten local authorities we should intensify NTP programmes:**

**Slough, Torbay, Blackpool, Darlington, Hartlepool, Bracknell Forest, Kensington and Chelsea, Rutland, Isles of Scilly, City of London.**

With more time, I would check each of the Local Authorities for their NTP eligibility.

More information might be helpful in carrying out various statistical hypothesis tests to determine the impact of NTP Programme. For example to determine the proportion of students who benefitted from NTP and many others similar questions which need data and statistics to answer.
